

Be Our Light

♩ = 84

1 Be our light in the dark-ness of this age, be the
door to a grace-ful and bet-ter world, be a

path we can fol-low with hope and faith, be the truth that gives
ta - ble with space for young and old, be the bread and the

sense and guides our steps, be our shep-herd and lead us to life!
wine for an o - pen feast, come and lead us to jus-tice and peace.

Liv-ing God, be our strength, be our shel - ter. Liv-ing

God, make us live to - geth-er hand in hand. Liv-ing God, change our

minds and change our hearts, liv-ing God, re-new, liv-ing

God, trans-form, liv-ing God, con-firm and be our

light!

2 Be the light!

French

- 1 Dieu vivant, sois la lumière dans notre monde,
Le chemin que nous suivons dans l'espérance;
Sois la vérité qui conduira nos pas,
Sois le berger qui promet la vie.

Refrain

Dieu vivant, notre force et refuge,
Dieu vivant, nous vivons pour toi
main dans la main
Dieu vivant, prends nos esprits et nos cœurs.
Dieu vivant, toi seul,
Dieu vivant, tu nous,
Dieu vivant, transformes; sois notre lumière.

- 2 Dieu vivant, sois le chemin vers la paix;
Sois la table où chaque humain trouve sa place;
Sois le pain et le vin de la fête ouverte,
Fête de joie, de paix, de justice.

Refrain

German

- 1 Gib uns Licht in dem Dunkel unsrer Zeit,
gib uns Glaube und Hoffnung in Einsamkeit,
gib uns Wahrheit und Sinn, und sei unser Ziel,
gib uns Leben, ein Leben mit dir!

Refrain

Guter Gott, gib uns Schutz, gib uns Stärke,
Guter Gott, lass uns alle leben Hand in Hand,
Guter Gott, ändre Denken und Verstand:
Gott, erneure uns,
Gott, verwandle uns,
Guter Gott, gib Kraft, und sei unser Licht!

- 2 Öffne Türen zu deiner Friedenswelt,
gib uns Speise für alle, für Jung und Alt,
schenk' uns Brot, schenk' uns Wein, lad' uns alle ein,
deine Liebe sei unser Gebot!

Refrain

Spanish

- 1 Nuestra luz en la densa oscuridad,
el sendero que invita a andar con fe,
la verdad que libera e impulsa al amor,
guíanos al vivir, buen pastor.

Refrain

Vivo Dios, nuestra fuerza
y nuestra protección,
Vivo Dios, nuestras manos
une más y más.
Vivo Dios, cámbianos el corazón.
Dios, renuévanos,
y transfórmanos,
hoy confírmanos: que eres nuestra luz.

- 2 Eres puerta hacia un mundo en plenitud,
una mesa que se abre con amplitud,
el vino y el pan, una fiesta global,
horizonte de justicia y paz.

Refrain

Korean

1 어두운 세상 속에 한 줄기
빛으로 임하소서
희망의 빛, 진리의 빛으로
생명의 빛으로 비추시며
오소서 주여

살아 계신 하나님 우리 힘이 되시네
살아 계신 하나님 우리 구원 하시네
하나님 우리를 변화시키시네
살아 계시는, 살아 계시는
살아 계시는 하나님 우리의 빛.

2 오리라 복된 세상 오리라
만민이 주의 잔치
먹으리라. 정의가 이기어
영원한 평화 이루어라
승리의 주님.
